

Snowbirds Vehicle Shipping Checklist

For Seasonal Travel Between the USA & Canada

US Canada Auto Transport – Trusted Since 1985

Before Shipping

- Wash and inspect your vehicle (note existing scratches/damage).
 - Take photos of all sides for your records.
 - Leave **¼ tank of fuel or less**.
 - Remove all personal belongings (GPS units, toll transponders, valuables).
 - Check fluid levels and tire pressure.
 - Provide one set of keys to the driver.
-

Customs & Paperwork

- Canadian Registration or U.S. Title.
 - Passport/ID for border crossing
-

Seasonal Considerations

- Book early — snowbird season fills up fast (October–December and April–June).
- Flexible pickup dates can lower costs.
- Consider enclosed transport for luxury or classic vehicles.
- Notify us if someone else (family/friend) will meet the carrier at pickup or delivery.

Important Notes

We've been helping snowbirds for over 35 years — no hidden fees, no lead generators.

Licensed, bonded, and insured carriers.
